RULES AND INSTRUCTIONS: The Brownells/NRA Outstanding Achievement Youth Award encourages and recognizes those junior shooting sports participants who take an active part in their community and shooting sports through individual contributions, educational pursuits, and accomplishments. The award is designed to promote a greater appreciation of the programs the NRA has to offer and to increase awareness of the shooting sports activities in which youth can participate.

To qualify for the Brownells/NRA Outstanding Achievement Youth Award, participants must accomplish six core requirements and a minimum of five elective requirements. For each requirement, participants must: (1) obtain a signature of a specific person or adult witness, and/or (2) supply a copy of a certificate or card proving that the requirement has been met. All validating documents must be submitted with this application in order to be considered for any awards.

You may apply for the award through the year of your 21st birthday; however you may only win a total of one National award. You may go on to participate and receive the certificate and medal should you stay involved in the shooting sports beyond receiving any National award, by meeting all of the requirements of the Award in future years.

Deadline to apply for this award is May 1 of each year. Any applications received after the deadline will be considered for the next calendar year, unless ineligible by age.

AWARDS AND RECOGNITION: Once a participant meets the requirements, he/she will receive the official Brownells/NRA Youth Award Certificate and Medallion recognizing their accomplishment; and will also be eligible for our National prizes, provided he/she has not previously won a National award.

Thanks to a donation from The Brownell Family Foundation, our National award winners will receive:

1st place - \$5,000

2nd place - \$3,000

3rd place - \$2,000

If you have any questions, contact the NRA Youth Programs Department at (703) 267-1593 or email to OayaProgram@nrahq.org. Once you have achieved both the core and elective requirements, send your completed application and all validating documents to:
